BeconfiDent® launches skincare app

Together with the entering of a new industry sector, BeconfiDent Skincare AB launches an app to be downloaded in the Appstore or Android store. The app has been developed in Lund at Ideon and is meant to support the customers of the acne products. **By using the app, the customers get personalized treatment plan for optimal result and can keep track of their advancements to clearer and healthier looking skin.** It will guide the customers with instructions and can also easily be used to order home new products whenever they need to.

Best Regards
